

HIGHWAYS, MOTORWAYS AND INTERSECTIONS

12SDK | spring semester | academic year 2019/2020 | 16.02.2020

CONDITIONS OF THE EXAM AND FOR AWARD OF THE CREDIT

(Information per the clause 2, paragraph 3 of Dean's directive No. 9/2019)

Mandatory attendance to the lecture and exercise lessons:

- the attendance to the lecture lessons is not mandatory
- the attendance to the exercise lessons is not mandatory, but the attendance will be recorded

The number and kind of semester projects, way of their assessment and deadlines for work assignment and delivery:

- as a part of the exercise lessons, 2 projects will be done by each student independently – Project 1 (a routing study of two-lane road) and Project 2 (design of an at-grade T-junction)
- each student must pick up the Project 1 assignment on the 3rd exercise lesson at the latest. Later pick up (without previous apology) will result in failing the course
- each student may not adjust or modify the project 1 or project 2 assignments (in which case he / she will receive a completely new assignments)
- all parts listed in the assignments of the project 1 and project 2 must be completely elaborated for the credit to be awarded
- the students are entitled to get the credit until the end of the spring semester of the academic year 2019 – 2020 (i.e. until 20.09.2020)

Continuous control of study progress:

- consulting of the projects will take place only during consultation hours of the lecturer of the exercise lessons and in a spare lesson time of the exercise lessons

Conditions of the exam and for award of the credit:

- only the knowledge from the lecture lessons is sufficient to pass the exam
- the students cannot enroll to the exam without awarded credit
- the Project 1 and Project 2 assignment must be elaborated only in accordance with assignments issued for the academic year 2019 – 2020
- the elaborated projects must be submitted in hard copy in properly labelled folder with flaps, including all properly labelled annexes (parts)
- if the conditions specified here are not fulfilled, the students will not be awarded a credit

List of the required literature to study:

- the lecture lesson texts are not published
- the figures and graphics presented in the lecture lessons are available here: <http://k612.fd.cvut.cz/predmety/12SDK/English/Lectures/Pictures/>
- the projects should be elaborated in accordance with the exercise lesson texts, maps, figures and graphics, available here: <http://k612.fd.cvut.cz/predmety/12SDK/English/Exercises/>

Mid-term control of project work milestones and share of the exam on the overall grade:

- Project 1 must be completely elaborated and controlled until the beginning of the summer break (until 26.06.2020 – however, it will be submitted all together with the Project 2 in a properly labelled folder with flaps, including all properly labelled annexes)
- the exam grade is based solely on the knowledge of the content of lecture lessons
